EARTH MONTH CHALLENGE

APRIL 2021

Mon	Tues	Wed	Thurs	Fri	Sat	Sun
			1 Measure your ecological footprint & begin the challenge!	2 Eco Movie Night: Plastics	3 Browse these zero-waste stores & do at least 2 swap-outs.	4 Switch your browser to Ecosia & search for 1+ plastic swap-out.
5 Shop in your own wardrobe & turn old items into rags / donate them.	6 Fix at least 1 broken item that you would have otherwise replaced.	7 Take old electronics to one of these e-waste facilities.	8 Make a DIY natural cleaner & put it in a reusable container.	9 Eco Movie Night: Sustainable Eating	10 Visit your farmers' market & see what you can start buying there.	11 Cook one of these waste-free recipes.
12 Start collecting your food scraps.	13 Cook & eat vegan all day. Yum!	14 Check out Loop and see if you'd like to subscribe.	15 Subscribe to these food-saving services.	16 Eco Movie Night: Climate Change	17 Buy at least 1 edible potted plant at the market.	18 Take the whatsyour2040.com test and take at least 1 action.
19 Switch to a water-saving showerhead.	20 Go solar with one of these services.	21 Support your most sustainably-focused govt representative.	22 HAPPY EARTH DAY! Compare your footprint & watch our panel.
